\*Advice on new investments/savings will be subject to our 'initial fees' as shown under our 'Investment Fees - Standard' section earlier.

Service will include recommending changes to existing investments to help meet your goals at an acceptable level of investment risk, providing fund analysis and valuations and a wide range of associated ad hoc services.

All service levels include a review, it is simply the style and frequency that alters as shown in the table below:

**Our fees for our ongoing service are:**

- 1.00% on first £50,000**
- 0.85% on the next £200,000**
- 0.75% on the next £750,000 and**
- 0.50% on any balance**

**Please note that as the fee is based the investment value, the actual amount we received will increase (or decrease) in proportion to any increase (or decrease) in the value of your portfolio.**

**Examples of Ongoing Fees**

**If your investments are valued at £50,000, our fee is 1.00%. Therefore, the annual payment to us will be £500**

**If your investments are valued at £200,000, our fee is 0.89%. Therefore, the annual payment to us will be £1,775.**

**If your investments are valued at £500,000, our fee is 0.82%. Therefore, the annual payment to us will be £4,075.**

**The elements that make up your ongoing servicing package are subject to alteration; I will notify you in advance and in writing if any of these aspects change.**

**Impact Of Fees**

When you make an investment there will be costs involved which will impact on your investment returns. These costs will typically comprise of the platform charge, the fund managers charge and our advice fee. As a typical example these charges may amount to 2.5% a year, so your investment return will be reduced by this amount each year. Your personalised illustration will clearly show the actual costs that will apply to your investment.

**Investment Fees – Ad Hoc / Where No Ongoing Service In Place**

If you do not wish to subscribe to an ongoing service, we provide many services on an ‘ad-hoc’ basis. Should you require any services as noted below, or bespoke work to be carried out, we will be able to tailor a specific service.

An additional fee may be required, typically calculated in accordance with our hourly rates, as shown at the bottom of the table below.

Prior to any work being agreed and carried out we will give an indication of the approximate amount of time that these tasks might take. These additional fees might be paid by single payment (e.g. by cheque), charged from your investment plan(s) or via regular monthly retainer payments (e.g. standing order).

Fees will depend on individual circumstances, but are typically:

Face to face meeting to review your financial planning, confirm your existing provisions, and identify areas of need and/or concern	£995
Advice and recommendation to address an agreed area of need / concern (e.g. retirement planning, estate planning, investment solution)	£995
Additional research fee per existing pension scheme	£250
Advice on withdrawing money from your retirement funds	£0
Regulatory & taxation updates	£49 p.a.
Annual valuation	£150
Annual risk profile questionnaire	£250
Annual telephone advisory update	£400
Additional reviews per session	£400
Quarterly E-Newsletter facility	£30 p.a.
Pure time related rate work per hour	£150
Implementation fees	Standard fees

e.g. A client has invested £50,000 and did not wish to be part of our ongoing advice services. Should the client ask for further advice on the original investment in the future, the fees from the table that would typically apply are:

‘Face to face meeting’ to review your financial planning, confirm your existing provisions, and identify areas of need and/or concern = £995 plus ‘Advice and recommendation’ to address an agreed area of need / concern (e.g. retirement planning, estate planning, investment solution) = £995

Total fee = £995 + £995 = £1,990

Please see the VAT section.

Where any of the above services are included in an ongoing service option, you will not be charged separately for these services.

# MORTGAGE & PROTECTION – ONGOING SERVICE & FEES

Set out below are the details for the ongoing service that we deliver to our clients.

You can if you wish to, add or enhance levels of service with your adviser if you feel appropriate (usually for an agreed fee).

There is no fee for the following level of service, as we will have been paid commission from the mortgage lender or insurance provider at inception of your mortgage or protection plans.

1. **Communication** - In order to provide you with a high-quality service we may want to contact you regarding items we consider are of interest to you, or to make you aware of new opportunities. If this happens, we would like to contact you
2. **Protection** - It is important to ensure your current protection plans and provisions remain in line with your requirements, which may change over time.
3. **Mortgages** - If we do not review your borrowing, you may end up paying more than you need to for your loans. We aim to contact you before any special terms of your mortgage expire. We encourage you to contact us should your financial circumstances change in the meantime.

We will make reasonable endeavours to contact you. Please be aware that should we not be able to review your mortgage before the end of any special term, this may result in you paying considerably more for your loan.

### **Unregulated Mortgages**

It is important to point out that not all mortgage loans and services are regulated by the Financial Conduct Authority. Some of the advice and services we provide may relate to loans which are either unregulated or have limited consumer protection.

We will confirm to you if any product we are recommending is not regulated by the FCA.

You should note that if we are arranging a "Buy-to-Let" mortgage for you, it is very important to understand that very few Buy-to-Let mortgages are regulated by the Financial Conduct Authority (FCA).

We will confirm to you if any product we are recommending is a Business Loan; a Business Buy-to-Let; or a Consumer Buy-to-let loan.

### **Client Categorisation Levels For Your Protection**

The FCA has rules which affect the rights you have as a client. In our dealings with you we will be representing you as the client.

By default, we categorise all of our individual clients as 'retail' clients. The range of financial products and investments we recommend are tailored to meet the needs of retail clients. As a retail client, you will have rights under the Financial Ombudsman Service (FOS) and the Financial Services Compensation Scheme (FSCS). These rights will apply to the provision of the advice we provide.

In most cases these rights will also apply to the products we recommend. However, there are some exemptions for specialist products such as Enterprise Investment Schemes and Venture Capital Trusts. Your adviser will let you know if the product recommended will not have rights under the FOS or FSCS.

There are other client categorisations that don't have these rights. These are "professional" clients and "eligible counterparties".

You may have the right to be categorised as a professional client and revoke your retail client status on request. Should you feel you have the skills, knowledge and experience to be a professional client and don't wish to have the same protection afforded to retail clients (as explained above), please let me know and we will complete the forms necessary to re-categorise you.

If you have any questions regarding your categorisation (e.g. if you are a large company), please write to Quilter Financial Planning Ltd Compliance Department, Sunderland, SR43 4JR or using the contact details above.

### **Client Money Peace Of Mind**

We do not handle Client Money. We never handle cash and will only accept a cheque made out to us in settlement of Advice and Service fees. Our preferred method of payment is via bank transfer.

### **Your Duty of Disclosure**

Any financial advice we provide will be based on your personal financial circumstances and objectives. It is important that the information you give us is both accurate and a true reflection of your current circumstances.

It is your responsibility to provide complete and accurate information to a provider (a provider being for example, an organisation that provides insurance, mortgage, or investment related plans).

It is important that all statements made on any proposal form, or on any additional documentation are full and accurate.

Please be aware that if you fail to disclose any relevant information, or any change of circumstances to a provider, then the terms of your desired plan may be invalidated (e.g. an insurance claim may not be paid). We strongly recommend that the information you provide is checked thoroughly prior to submission.

### **Client Risk**

The value of investments can fall as well as rise. You may get back less than you originally invested. The price of investments that we recommend to you may depend on fluctuations in financial markets or other economic factors that are beyond our control. The past performance of an investment or product is not a reliable indicator of future results. You should therefore carefully consider all investment/product decisions.

Any specific warnings relevant to particular investments, investment strategies, or products will be provided to you in your Suitability Advice Report and/or your Demands and Needs Statement collectively (Written Advice).

### **Investment, Mortgage and Protection Advice and Recommendations Scope**

Any investment, mortgage or protection advice your adviser provides will be based on your personal financial circumstances and objectives. We will confirm these and the reasons for any recommendation in your Written Advice.

If you have asked for any restrictions on the types of investment or the markets you wish to invest in, these will be confirmed in your Written Advice. We will always make it clear when products are not within the 'regulated' scope and advise you of your rights.

### **Paying For Advised Services**

Where payments are facilitated through a product, this will impact the actual amount remaining invested. Payment of the initial Advice and Ongoing Service fees facilitated by the relevant Product Providers or Platform administrators will be as a percentage of contributions invested or of the value of the plan's value/funds under management as at the anniversary of the initial investment. As such, the cash equivalent amount will vary depending on the value at the time.

Providers/Platform administrators will detail the specific process they operate to facilitate a fee in their literature. If you opt to pay the Adviser Charge directly (not through a product) an invoice will also be provided, which must be settled within 14 days of issue (we reserve the right to charge interest on late payments at a rate of 3% above Bank base rate).

Full details of the final Advice will be provided in the Suitability Advice Report. Full details of any fee will be provided either in the Suitability Advice Report or 'Authority to Proceed' document prepared for you by your Adviser. You may also be asked to sign and return a copy of the Authority to Proceed document to confirm your understanding and acceptance of the arrangements.

Other costs, including taxes, related to transactions may arise that are not paid via us or imposed by us. For further details on how to pay for our services, please read the "Guide to Our Services and/or Guide to Our Mortgage and Protection Services". There are no additional charges for our services for using a means of distance communication.

### **Implementing Investment Solutions**

As with most investments there is a risk of loss, especially in the short-term (over periods of less than five years). If you need access to your money in the very short-term, then holding it in a risk-free bank account could be the right course of action. We will discuss these options with you, as well as providing a detailed Suitability Advice Report for you to read in your own time, before we implement our recommendations. This will help ensure you understand the advice you have been given. Of course, if you have any questions, we will be happy to help. You are not obliged to implement any of our recommendations. However, we may still charge a fee for our advice.

When we arrange an investment for you it will typically be made into a collective investment fund. These funds have a range of different investment strategies so we will recommend one that aligns with your attitude to risk and the period of time you wish to invest for.

These funds will typically be bought via an investment platform that we recommend for you. Once we have completed the advice process the investment will be made for you in a timely manner, and in accordance with our Best Execution Policy. For example, for the majority of collective investments, they will be bought or sold at the next Valuation Point (typically 12.00 Midday) the next business day, after the instruction has been received by the platform.

Once we have agreed on an appropriate solution, we will provide you with full details of the investment fund, platform, and all associated costs.

### **Cancellation / Termination of Authority**

You can cancel these terms of business at any time without penalty. This will not affect any outstanding transactions being carried out on your behalf and you may still have to pay a fee to us – see Investment Advice Refunds below.

The ongoing service fee or our authority to act on your behalf can be cancelled at any time without any penalty by email or post using contact details above. These methods ensure we have an audit trail for your instruction. You will be responsible for cancelling any instructions from your bank. If the fee is being taken from your investments we will endeavour to instruct the Provider, Platform or DFM to stop the fee within 5 working days of receiving your instructions and refund any over payment if we are unable to meet this commitment.

You may ask us for an updated estimate of your advice fee at any time and you may ask us not to exceed a given amount without checking with you first.

### **Investment Advice Refunds**

Our standard policy is that in circumstances where this agreement is terminated, a recommendation is not followed through to implementation, or a product arranged is cancelled at any time, no refunds will be given, and all work undertaken will be billable and due. Please note that this does not affect your statutory rights or ability to complain.

If you cancel your investment(s) in the cooling off period or stop regular contribution payments the fee will no longer be due unless a minimum fee is stated in this Terms of Business and your Adviser Charging Agreement/Authority to Proceed.

### **Language**

Unless agreed by us at outset all communication will be completed in English. We will communicate in a manner that is convenient to you, this could include Face-to-Face meetings, Post, E-mail and by telephone using the contact details provided above.

### **Location of Advice**

All advice will be conducted in the UK. We do not have permissions to give advice when either you or I are located in any location outside the UK.

### **Timing of Written Advice**

Financial Planning: I will send you a Suitability Advice Report setting out the reasons for my recommendation at the time of my recommendation and where applicable before implementing any advice that I have recommended.

Mortgage Advice: I will send you a Suitability Advice Report setting out the reasons for my recommendation within 15 days of making that recommendation.

Protection Advice: I will send you a Demands and Needs statement setting out the reasons for my recommendation before the policy starts. If I am advising you by telephone, and the policy starts on the same day the Demands and Needs statement will be sent by the end of the next working day.

### **VAT**

The service we provide is described as an 'intermediation' service. This means we provide advice with the intention of acting between you and a product provider to arrange a financial product or service. In most instances our intermediation fee in arranging the sale of a retail investment product is VAT exempt. However, where VAT is payable we will advise you for example, where a Discretionary Fund Manager (DFM) forms part of our recommendation, or where a fee is charged before application.

The adviser fee made for an ongoing service may also be VAT exempt if the initial fee is exempt and the on-going fee is agreed at the time of the initial advice. Whereas on-going fees in relation to DFM solutions are likely to be subject to VAT.

All fees covered by this agreement are exclusive of VAT, and if applicable VAT will be charged on top of the stated fee.

#### **Declaration of Other Interests**

To ensure that client interests are always put first, we operate a robust Conflict of Interest and Inducements Policy. If a potential conflict of interest does arise it will be actively managed, and we have arrangements in place to ensure that all our clients are treated fairly. If we feel that our interests conflict with yours, you will be contacted, and we will obtain your consent to proceed. Our full conflict of interest policy is available on request.

#### **Minor Non-Monetary Benefits**

We are not able to receive or retain any inducements from a product provider. Should we receive any additional fee, commission or monetary or non-monetary benefit as a result of a recommendation made to you, we will return this to the product provider or transfer it to you (as appropriate) and attempt to stop further payments or inducements being received.

#### **Our Ownership**

Quilter Financial Services Ltd and Quilter Mortgage Planning Ltd are part of the Quilter Group. The Quilter Group of companies offers a range of pension, protection, and investment solutions through both a UK and International platform. This may give rise to a potential conflict of interest where a company within Quilter Group has a suitable solution for your needs. If such a situation occurs, I will ensure that my recommendation is the best execution of your needs. I will also highlight the potential conflict of interest at the time of making the recommendation.

#### **Addressing Financial Crime**

All transactions relating to the services provided by us are covered by The Money Laundering, Terrorist Financing and Transfer of Funds Regulations 2017. The FCA also requires that we have appropriate measures in place to prevent the furtherance of financial crime.

Our responsibilities include but are not limited to verifying the identity and address of our clients and any third-party making payments on their behalf. If required, you must supply proof of your identity in accordance of the above Regulations. Identity verification checks may include electronic searches of the electoral roll and the use of credit reference agencies, which will result in a soft 'foot-print' on your credit records.

This footprint is not visible to other financial service providers and does not affect your credit rating in anyway. In accordance with the Data Protection Act 2018 acceptance of these terms and conditions represents your permission for us to access this information.

#### **Financial Services Compensation Scheme (FSCS) Current limits**

We are covered by the FSCS. You may be entitled to compensation from the scheme if we cannot meet our obligations. This depends on the type of business and the circumstances of the claim. I.e. it differs for investments, insurance, mortgages, and bank accounts.

Further information about compensation scheme arrangements including the conditions governing compensation and the formalities which must be completed to obtain compensation is available from the FSCS via its website at [www.fscs.org.uk](http://www.fscs.org.uk)

#### **The Law that we operate under**

All of our agreements provided are governed and construed in accordance with the laws of England and Wales. In relation to any dispute, for your protection you agree to submit to the non-exclusive jurisdiction of the English courts.

#### **Data Protection**

The personal information you provide will assist your financial adviser in offering you the best advice as required by the Financial Services and Markets Act 2000. The personal data you provide will be used and stored in accordance with the Data Protection Act 2018 and the UK General Data Protection Regulation (UK GDPR) under UK law.

For further information on how we use your personal data and your rights in relation to your personal data, please see your adviser's Privacy Notice and will be provided to you by your adviser as part of your initial disclosure documents.

Should you have any enquiries relating to the personal data that Quilter may hold about you, how your personal data is processed, or how to exercise your rights you can contact our Privacy Team, at [QFPdataguardian@quilter.com](mailto:QFPdataguardian@quilter.com)
